

BROXBOURNE

CHORUS

‘Try-It’

Saturday 24 September
at The Broxbourne School 10.00 - 12.15

- Come and find out what it's like to sing in a choir.
- 'Try It' is an 'open' rehearsal' for anyone who would like to try singing in a choir.
- It does not matter how much or little singing experience you have. We have a lot of music from the great 'classics' to 70s 'pop' songs.
- Tea and coffee and chocolate biscuits to soothe.

If you would like to know more please contact David Boarder (the choir's conductor) phone 07876 444701 or email boarderd48@gmail.com

Broxbourne Chorus began in January 2012 as a new community SATB choir for adults and students age 16+.

The choir rehearses on Monday evenings 7.30-9.30 at Hoddesdon Baptist Church, Burford Street, Hoddesdon EN11 8HX. Rehearsals begin on Monday 12 September.

In the past five years the choir has sung a range of 'singles' from many periods and in many different styles and joined with other choirs to sing Verdi *Requiem*, Carl Orff *Carmina Burana* and Karl Jenkins *The Armed Man*.

The current membership is around 30. We are keen to recruit more singers so that we can expand our repertoire. There is no audition. We are looking for extra singers. It is not essential that you can read music but you do need to sing in-tune and make a clear 'straight' sound.

If you think you might like to join the choir you are very welcome to come to a rehearsal to see how you get on. The second rehearsal of the term is always an open rehearsal – you can come and sing with us for the evening without any further commitment.

The subscription is £40 per term and members either buy their own scores or pay a hire fee for them. *NB there is no subscription fee or music hire fee for under-18s – we want to encourage young people to come and sing.*
